The Untouchables Car Club is a non profit organization dedicated to contributing to the local communities. We sponsor four scholarships to Lower Columbia College, and contribute to Local food banks and to help feed families in need during the winter holidays.

All of this is possible through the car show earnings. This requires many members to participate.

If you would like to become a member and help keep this tradition (27 years this year) alive we could sure use your help. It is not necessary to have a classic car.
